Product brochure

- Print, scan, copy and fax directly at your workplace with Toshiba's A4 monochrome multifunction device.
- Toshiba high standard document quality at a print speed of up to 40 pages per minute on a broad range of media.
- This model is designed to meet the highest environmental standards with low energy consumption, helping to save money and valuable resources.

TOGETHER INFORMATION

Powerful all-in-one devices

The e-STUDIO409s is a true all-rounder and powerful all-in-one device with the full ability to boost your efficiency. Via the touch screen you can easily access all functions and apps installed on the system.

A print speed of up to 40 pages per minute and a maximum paper capacity of 900 sheets, ensures that the e-STUDIO409s covers the needs of small- and medium-sized companies and workgroups. Thanks to flexible connectivity and the support of mobile printing it also meets the requirements of modern business workflows. And with security issues being more and more relevant in today's world, we have made sure to implement various security features to prevent unauthorised access to the system– which allows you to protect what's yours.

To reduce the impact your business has on the environment, the e-STUDIO409s offers optimised power consumption and various print and energy-save settings that can help you save valuable resources and money.

Configuration

e-STUDIO409s
